

## Parcel Tax Public Data Fiscal Year 2023/2024

### How to find your parcel tax

- 1) Find your street name
- 2) Find your street number (if no number listed, look at parcel number)
- 3) The next column shows the tax applied to the parcel

### Notes

- The other columns show how the County Tax Assessor has classified your property and parcel number
- For Residential and Agricultural parcels, the tax amount is \$250 + \$100 for each additional dwelling unit
- For Commercial parcels, the tax amount is determined by \$300 + square footage times \$0.14 which includes all buildings by either 1) building permit history or 2) aerial survey of building size(s)
- For "Other" parcels, such as unbuildable land, right-of-way, etc. the tax amount is \$100
- If there appears to be an error with the tax use code/description, please contact the County
- If you wish to appeal the parcel tax rate, you may do so following the directions below

### Appeals

Owners may appeal the tax levy by sending a letter to:

Graton Fire Protection District  
Board of Directors  
PO Box A  
Graton, CA 95444-A

attn: tax levy

Please include your parcel number, address of the parcel, rationale for changing the tax levy, and mailing address to send the response  
The Board will typically evaluate tax levy appeals at the next regular board meeting on the 2nd Tuesday of each month at 7pm at the Graton Fire Station
